Utility Costs – Total Costs of Energy, Water Supply/Disposal, Waste Disposal Costs- Net of VAT

Certification – A separate audit is required for any business to achieve any certification level. GREENSave Package members have a verification review built in as part of each package

All new Standard members are required to commit to a minimum of 2 years. All GREENSave & CSR Packages require a minimum 3 year membership commitment. All members must give 3 months’ notice of membership cancellation prior to the current membership package end date – membership packages automatically renew unless cancelled. All members are bound by the GreenHospitality.ie general terms and conditions which are found in the GHP.ie website

It is expected that accommodation providers on a GREENSave or GREENStart package will also provide overnight accommodation for each verification visit to enable a thorough property assessment. (This is a requirement for the CSR Mark of Good Practice)
