

Clean the World 2019

Stop sending Waste Soaps, Shampoos and Toiletries to Landfill

Support the War Against Plastic

Make a Real Social Difference

Help Disadvantaged Communities

Reduce Pollution

The Clean the World (CTW) programme collects used single use soaps, shampoos, lotions, conditioners, etc. from hotels and turns them into products that help disadvantaged communities and sends the waste plastics for recycling.

Join this innovative programme and place your hotel firmly on the Corporate Socially Responsible Map (CSR). Hotels can continue to provide single use toiletries knowing that the end waste does not go to landfill – and reduces your disposal costs.

Tell your guests how you are engaging in minimising your hotels environmental footprint

Join this programme today – complete the application form overleaf – more information is available on our website – www.greenhospitality/clean-the-world/

GreenHospitality.ie is delighted to be partnering with **Clean the World** to bring this international social programme to the Irish Hotel Sector.
