Green Supplier Recognised Supplier Directory & Promotion

Our directory enables businesses with “Green” products or services to engage directly with GreenHospitality.ie, its members, clients and contact database.

GreenHospitality.ie is the Hospitality, Travel & Tourism Resource for Sustainable and Responsible Tourism in Ireland. (GHP.ie)

GHP.ie's objective is to support the Irish Hospitality sectors drive to minimise its costs by pricing and using energy wisely, selecting the correct equipment and controls to manage the use of energy and water and to prevent waste, wherever possible, and correctly separate and dispose of waste streams.

Business can avail of any of the GHP.ie Services, or combinations, depending on what their immediate requirements are, or can join up to our membership programme which provides for a more medium-term engagement which can also lead to achieving certification

Our Services include:

Green Hospitality Award - Eco-label, Silver, Gold – Environmental Certification

Our internationally recognised environmental certification programme which is the only Irish developed certification standard for the whole hospitality sector.

Green Trading Company

Our consulting side where we deliver solutions to hospitality businesses on resource efficiency – energy, water and waste management. GHP.ie Green suppliers are recommended during this process.

GREENStart

GREENStart is our initial consulting service which provides an on-site visit designed to identify specific cost saving opportunities within energy, water and waste. This service includes initial benchmarking to identify the current business's performance. (This service will include specific analysis of a properties opportunities relating to GHP.ie Business Package Recognised Suppliers)

GREENSave

This service follows on from the GREENStart service and is a bespoke programme for each business with defined projected deliverables. These would consist of cost savings focused on energy, water and waste, employee awareness, green marketing, certification advice & support. GREENSave could also include GREENTrack and would focus on the support GHP.ie Business Recognised Suppliers could deliver.

Websites & Promotion

www.greenhospitality.ie is our general website with full details of our services and certification programme, including list of members. It also has an eCommerce online shop through which suppliers can sell products/services or special offers. We send out regular newsletters to our database of over 4,000 hospitality professionals. We also operate a consumer website www.greentravel.ie which lists all responsible hospitality and tourism businesses in Ireland.
